| The Oil Factor | YouWish presents Coconut Oil, Refined. We offer a wide selection of Coconut oils, we are certain one of our grades will suit your needs. Coconut Oil is a common ingredient in many cosmetic applications due to its stability & its ability to soften the skin when applied to the body. Its natural form is a butter-like ingredient which delivers both silky smooth results when applied to both the skin & hair. With regards to Coconut Oil, Refined, this is the most popular of all our Coconut oils due to its functionality & its simplicity to formulate with. It is also the most affordable of them all! If you want Coconut in your formulation to act as straightforward base/carrier or massage oil, this is the grade for you. |
| Functionality | A very stable oil & robust in your formulations. A super absorbing, hydrating emollient oil that melts into your skin. This oil delivers silky smooth skin & hair when applied directly. Applications include lipsticks, body butters & lotions. This product is refined to give you the functionalities of the oil without the aroma affecting your formulation. |
