Ref: heavy metals content

This letter is to assure you information concerning the content of heavy metals in caustic soda manufactured by JSC Kaustik:

No.	Item	Unit	Fact data
1	Lead (Pb)	%	$2.5 \cdot 10^{-6}$
2	Cadmium (Cd)	%	$(3,5 \cdot 10^{-7}$
3	Chromium (Cr)	%	0,00004 - 0,00006
4	Arsenic as As	%	0.00001

With best regards

J. Matvejeva

Import/Export Sales Manager's assistant

A large, stylized handwritten signature in blue ink is positioned over the KAUSTIK EUROPE B.V. logo. The logo consists of the same circular emblem as seen at the top of the page, with the text 'KAUSTIK EUROPE B.V.' and 'Rotterdam, The Netherlands.' below it.
