EINCS Number	289-995-2
Customs Tariff Code	3301 9090 00
The Oil Factor	Introducing Lavender Water Organic (Hydrolat), with a rich history dating back centuries. It has been employed in traditional medicine and aromatherapy for its calming attributes. Its soothing qualities have made it a popular choice for alleviating stress and anxiety throughout history. Lavender Water offers numerous benefits, thanks to its natural properties. It is gentle on the skin and serves as a refreshing and hydrating facial toner, while its antiseptic properties make it an excellent remedy for skin irritations like sunburn and insect bites. Additionally, its relaxing aroma promotes sleep and relaxation, making it a favourite for aromatherapy. Versatile in its application, Lavender Water can be used as a body spray, hair rinse, and incorporated into baths or diffusers. Order a sample or request a quote today!
