The Oil Factor	Bakuchi oil is known for its anti-aging benefits and is also gentle enough for even the most sensitive skin. It's extracted from the seeds of the Psoralea corylifolia plant, which is native to India. The oil has been used in traditional Indian medicine for centuries for its skin and hair benefits. Bakuchi oil is rich in essential fatty acids, which help to nourish and hydrate the skin. It also contains antioxidants, which protect the skin from damage caused by free radicals and reduces inflammation, whilst improving skin tone and texture. It is also known to be beneficial for moisturising and nourishing dry hair, helping to reduce frizz and flyaways. If you're looking to incorporate an oil that is lightweight and non-comedogenic into your formulations, get in touch today and request a quote or order a sample from us now!
